

EUROPERIO 7

June 6 - 9, 2012
Vienna, Austria

Dear Dentists,

It is our pleasure to inform you that the largest Periodontal Congress in Europe – **EUROPERIO** will take place from June 6 - June 9, 2012 in Vienna, the capital of Austria. Next year will be the 7th Europerio congress in which it is organized every 3 years by the European Federation of Periodontology. From 2000 participants at the 1st Europerio to over 6600 participants at the 6th Europerio, there were over 25000 participants from 82 countries have joined this worldwide recognized congress of Periodontology and Implant Dentistry! We are sure that Europerio7 will be an outstanding event and we hope you will be one of the 7000 participants that expected to attend this World's leading Conference.

At Europerio7, renowned international speakers have been invited to share their latest scientific research results and knowledge focusing on practical use with regard to the fields of Periodontology and the use of Dental Implants. As an exclusive distributor, we would like to particularly highlight the below sessions for you which are sponsored by Straumann and Geistlich that is definitely worth participating:
